MAYSVILLE MAN'S INVENTION

Mr. William Alexander Now Located at Pulaski, Tenn

Mr. William Alexander, a native of Mayaville, and now a successful inventor and mill-right of Pulaski, Tenn., has recently invented and patented a very useful device called a car-axle lubricator, which it is claimed is a great economical improvement for oiling journals where tram boxes are used.

Mr. Alexander is a brother-in-law of Miss Estee Paddock of this city, and, as he is a native of Mayaville his friends commend him for his genius and hope to see him reap a golden harvest from his work.

Mr. Alexander offers his patent rights for sale as he has not time to promote the sales himself.

MASON'S WEALTH

Now Reaches Near the Ten Million Mark

Mason county, in point of wealth, is near the top round of the financial ladder. Of the 119 counties comprising the Commonwealth, not over nine counties in the state surpass her in taxable property.

The total assessment for the year 1907 reaches the magnificent sum of \$9,655,179, being a gain over last year of \$175,392. There was an increase made by the Assessors of \$100,000 and the Board of Equalization added \$75,000, the Precincts making the largest gains—Mayslick, Washington, Sardis and Howes. The Sixth Ward in the city of Mayaville had an increase of \$50,000.

The increase in the county is gratifying and indicates that the farmer is sharing in the general prosperity of the country at large. Mason county land is becoming more valuable every year and the next assessment will show a still further advancement.

Miss Effie Weaver has returned to her home in the county from a delightful visit of several days with her sister, Mrs. Will Campbell, near Mt. Olivet.

INSTITUTE AND FAIR

Three Things to Do In Regard to the Coming Events

Be sure to attend the Farmers' Institute Friday, February 22d, and the Tobacco Fair Saturday, February 23d.

Get your samples of tobacco, corn, wheat and potatoes ready to exhibit.

Bring or send them to the Courthouse Friday afternoon or Saturday morning, February 22d-23d.

Mason county will have some strong competitors for all premiums this year.

Remember that \$50 will be paid for twelve hands of tobacco to some one.

We urge the growers to make exhibits at the Tobacco Fair. The crop is largely in the hands of the farmers, and the samples selected may be the means of bringing a liberal buyer for the crop.

Merchants of Mayaville, are you fully awake to the value of the annual Tobacco Fair? What other occasion is there equal to it? Why not get enthusiastic about it? Are you?

Convalescents

NEED VINOL for it hastens recovery by creating strength

Our local druggist, John C. Pecor, says: "There is just one thing the matter with a person who has been sick—that is, weakness."

"To all such people in Mayaville we recommend our delicious cod liver oil preparation, Vinol, as the very best strength creator for convalescents we have ever sold in our store."

"Vinol strengthens the digestive organs, creates an appetite, promotes sound sleep, makes rich, red blood, and builds up a depleted system to health and vigor."

"This is because Vinol contains in a highly concentrated form all of the medicinal and strength creating elements of cod liver oil, actually taken from fresh cod's livers, with the useless, nauseating oil eliminated and tonic iron added."

"We return money to those who buy Vinol and receive no benefit." JOHN C. PECOR, Druggist.

NOTE—While we are sole agents for Vinol in Mayaville, it is now for sale at the leading drug store in nearly every town and city in the country. Look for the Vinol agency in your town.

A petition signed by 344 voters opens the local option campaign at Paris.

There are now nearly 10,000 members of the Improved Order of Redmen in the reservation of Kentucky.

Miss Lydia Payne, wealthy, sister-in-law of Senator J. Campbell Cantrill, died at Georgetown of heart trouble.

Over \$6,000 has been subscribed for a hospital at Mt. Sterling.

Hon. Waller Sharp, President of the Burley Tobacco Society of Bath county, has obtained the money to advance the tobacco growers who have pooled their crop with the Burley Tobacco Society. The pooled tobacco will now soon be received at the warehouse at Sharpburg and the growers will receive 50% of the total price upon delivery.

WORK HARNESS

Department of our store. By giving special attention to the most minute details we turn out Harness whose longevity rivals that of the Deacon's wonderful one-horse shay, which, as you all know, was so wonderfully constructed that it did not wear out in any one particular place, but, after being used for one hundred years to the minute, went to pieces all at once. Our workmen, being skilled at their work, know, as did the Deacon, that "Tis mighty plain that the weakest place must stand the strainin', 'n the way t' fix it, uz I maintain is only jes' to make that place uz strong uz the rest." We can give you the names of some of our customers to whom we sold work harness when we first went into business, and which is still as good as new. Do you not think this is full value received for every cent invested?

Tired Nervous Women Make Unhappy Homes

MRS. NELLIE MAKHAM

MRS. GEO. A. JAMES

A nervous irritable woman, often on
the verge of hysterics, is a source of
misery to everyone who comes under
her influence, and unhappy and mis-
erable herself.

Such women not only drive hus-
bands from home but are wholly unfit
to govern children.

The ill of women act like a fire
brand upon the nerves, consequently
seven-tenths of the nervous prostra-
tion, nervous dependency, the
"blues", sleeplessness, and nervous
irritability of women arise from some
organic derangement.

Do you experience fits of depression
with restlessness alternating with ex-
treme irritability? Do you suffer
from pains in the abdominal region,
backache, bearing-down pains, nervous
dyspepsia, sleeplessness, and almost
continually cross and snappy? If so,
your nerves are in a shattered con-
dition and you are threatened with
nervous prostration.

Proof is monumental that nothing
in the world is better for nervous
troubles of women than Lydia E.
Pinkham's Vegetable Compound,
made from native roots and herbs.
Thousands and thousands of women
can testify to this fact.

Mrs. Nellie Makham, of 151 Morgan
St., Buffalo, N. Y., writes:—

Dear Mrs. Pinkham:—

"I was a wreck from nervous prostration."

Lydia E. Pinkham's Vegetable Compound, made from native roots and
herbs, contains no narcotics or harmful drugs and today holds the record for
the largest number of actual cures of female diseases of any medicine the
world has ever known, and thousands of voluntary testimonials are on
file in the laboratory at Lynn, Mass., which testify to its wonderful value.

Lydia E. Pinkham's Vegetable Compound; a Woman's Remedy for Women's Ills.

I suffered so I did not care what became of
me, and my family despaired of my re-
covery. Physicians failed to help me. I
was urged to try Lydia E. Pinkham's
Vegetable Compound and I want to tell
you that it has entirely cured me. I think it
is the finest medicine on earth and I am
recommending it to all my friends and
acquaintances.

Mrs. Geo. A. James, a life long
resident of Fredonia, N. Y., writes:

Dear Mrs. Pinkham:—

"I was in a terribly run down condition
and had nervous prostration caused by
female trouble, in fact I had not been well
since my children were born. This con-
dition worked on my nerves and I was ir-
ritable and miserable. I had tried many
remedies without getting much help but
Lydia E. Pinkham's Vegetable Compound
brought me back to health and strength. It
has also carried me safely through the
Change of Life. I cannot too strongly
recommend your medicine."

Mrs. Pinkham's Invitation to Women:

Women suffering from any form of
female weakness are invited to
communicate promptly with Mrs.
Pinkham, at Lynn, Mass. From the
symptoms given, the trouble may be
located and the quickest and surest
way of recovery advised. Out of her
vast volume of experience in treating
female ills Mrs. Pinkham probably
has the very knowledge that will help
your case. Her advice is free and
always helpful.
